International Labour Day: Honouring the Contributions of Workers

America's prominent civil rights activist, Martin Luther King, Jr. said, "All labour that uplifts humanity has dignity and importance and should be undertaken with painstaking excellence." International Labour Day underscores the indispensability of labourers in nation building and economic prosperity. The day serves us a platform to express solidarity with all the workers for their perseverance and unwavering dedication. DPS Gaya, along with its Junior Wing celebrated International Labour Day on 01 May 2024 to pay obeisance to the labourers all around the world. The little ones of Nursery to Class I assiduously participated in the activities conducted to honour the organized and unorganized workforce on the International Labour Day 2024. Artistically created greeting cards were offered to the non-teaching staff of the school as a gesture of appreciation for their relentless support and dedication towards the school. Their little palms dipped in vibrant colours left a mesmerizing imprint on papers, thanking the support staff of the school. Our honourable Principal Sir underscored the significance of the day and emphasized that every work has a dignity associated with it. On the other hand, the respected Pro-Vice Chairman highlighted the historical background of the International Labour Day and acknowledged the invaluable contributions of labourers across all sectors.

Building Awareness of Good Touch and Bad Touch

DPS Gaya continuously takes steps to ensure the safety and well-being of its students by integrating lessons on good touch and bad touch from Pre-nursery to Class 2. In this regards, the school organised a session on 09 May 2024. Our teachers, through extensive storytelling sessions in DPS Gaya as well as in its Junior Wing have not only conveyed the importance of recognising safe and unsafe touches but have also emphasised the role of trusted individuals such as parents, teachers, and grandparents. This reassures children that they have a safe space to turn to for help. Our teachers have empowered students by enlightening them about the POCSO Act, ensuring they understand the seriousness of protecting themselves from harm. Equipping them with essential knowledge, teachers have also shared the child helpline number, instilling in them the confidence to seek assistance when needed. Teachers utilised multimedia tools to reinforce these vital lessons, including engaging PowerPoint presentations and the impactful video "Komal," effectively raising awareness among the impressionable young minds. Through this comprehensive approach, DPS Gaya always creates a safe and nurturing environment where every child feels empowered to speak up and seek help if they encounter any form of abuse.

में समझता रहा समाज

में समझता रहा समाज में समान हैं संप्रदाय सभी ।
कौन बताए यह मुझे कि तुच्छ सोच है यह मेरी।

विनोद है हर विचार, हर विचार कल्प है।
कल्प के रूप में हर विचार सर्प है

मृत यह जगत है सोया हुआ संसार है।
यह मेरा स्वप्न है यह स्वप्न भी एक भ्रम है

भ्रमित मैं इस तमिस्त्र संसार में
चला जा रहा हूँ।

तमिस्त्र का विस्तार है त्योंम के समान
निस्तेज दीपदंड ले चला हूँ
में समाज से अंधकार को मिटाने।

DER SOMMER (GERMAN)

Der Sommer Der Sommer folgt. Es wachsen Tag
und Hitze,
und von den Auen drängt uns die Glut;
doch dort am Wasserfall, am Felsensitze
erquickt ein Trunk, erfrischt ein Wort das Blut.
Der Donner rollt, schon kreuzen sich die Blitze,
die Höhle wölbt sich auf zur sichern Hut,
dem Tosen nach kracht schnell ein knatternd
Schmetternd;
doch Liebe lächelt unter Sturm und Wetter.

THE SUMMER FOLLOWS (ENGLISH)

The summer follows. Day and heat rise,
And from the island it urges us to glow;
But there at the Waterfall, at the bottom of the
cliff,
A drink refreshes a word from blood.
The thunder rumbles, now the lightning
crosses,
The cave bulges to offer safety,
After the rumbling it finally crumbles,
But love smiles during storm and weather.

SUMMER SURVIVAL:

A STUDENT'S INSIGHT INTO GAYA'S MAY HEAT

As summer vacation stretches before us like an endless oasis, Gaya's scorching May heat serves as a formidable opponent to our plans of leisure. In this season of sweltering temperatures, I find myself pondering the profound importance of trees in our quest to beat the heat.

Without the refuge of classrooms or the distraction of school routines, the sun's relentless assault becomes all the more palpable. It's as if nature itself has declared war on our comfort, leaving us to seek solace in the cooling shade offered by the leafy canopies of trees.

Amidst the swaying branches, whispers of solace unfold,

In nature's embrace, a sanctuary from summer's scorching hold.

The significance of trees goes beyond mere shelter from the sun. They serve as nature's air conditioners, purifying the air we breathe and offering a reprieve from the stifling heat. Their presence not only cools the environment but also provides a sense of tranquility amidst the chaos of summer.
