“Water is life’s matter and matrix, mother and medium. There is no life without water.”

The Ministry of Jal Shakti launched the Jal Shakti Abhiyan (JSA) in 2019 to raise awareness about water conservation. This campaign was initiated to mobilize public participation in water conservation and management, especially in water-stressed areas across India. The Jal Shakti Abhiyan promoted water conservation practices such as rainwater harvesting, rejuvenating traditional water bodies, watershed development, and efficient water use in agriculture. On 28 June 2024, Delhi Public School Gaya played a significant role in the nationwide campaign initiated by the Ministry of Jal Shakti to promote water conservation. Students were not just given the pledge to conserve water, but also tasked with raising awareness about it among their family members, friends, and neighbours, thereby becoming the driving force of the campaign. In a powerful statement, the honourable principal of the school underlined the expediency of conserving water for the sustainable development and thriving future of our planet.

EMBRACING NEW HORIZONS IN CLASS XI

Stepping into Class XI feels like the door opening to a world brimming with possibilities. The transition from high school to higher secondary is both thrilling and daunting, akin to embarking on an adventure with a map in hand but the terrain unknown. Opting for humanities, I am excited to explore subjects that resonate with my passion for understanding human society, culture, and history.

This phase is more than just academics; it's a journey of self-discovery and growth. The scent of new textbooks and the sight of fresh notebooks evoke a sense of renewal and anticipation. Teachers, with their wealth of knowledge and enthusiasm, stand ready to guide us through this transformative period. The increased expectations foster a newfound sense of responsibility, urging me to refine my time management and study habits.

Beyond the classroom, there's a world of opportunities waiting to be explored. Building friendships and participating in extracurricular activities add vibrant colours to this experience. As I embark on this path, my heart is filled with a mix of excitement, hope, and determination, ready to embrace the challenges and triumphs that lie ahead.

ES LIEGT DER HEIßE SOMMER

THERE LIES THE HEAT OF SUMMER

| Es liegt der heiße Sommer | There lies the heat of summer |
| Auf deinen Wangelein; | On your cheek's lovely art: |
| Es liegt der Winter, der kalte, | There lies the cold of winter |
| In deinem Herzchen klein. | Within your little heart. |
| Das wird sich bei dir ändern, | That will change, beloved, |
| Du Vielgeliebte mein! | The end not as the start! |
| Der Winter wird auf den Wangen, | Winter on your cheek then, |
| Der Sommer im Herzen sein. | Summer in your heart. |

माँ

इस भव्य दुनिया में, एक उल्लेखनीय व्यक्ति मौजूद है जो अटूट धागे के रूप में कार्य करती है जो हमें अपने असीम प्रेम, अटूट समर्पण और अपराजेय भावना के साथ एक साथ बांधती है। यह असाधारण प्राणी कोई और नहीं बल्कि हमारी प्यारी 'माँ' हैं। आज, मैं एक ऐसे व्यक्ति के गहन महत्व के बारे में लिखना चाहूँगी जो सहजता से समाज के भीतर कई भूमिकाएँ निभाती है और हमारे जीवन का एक अनिवार्य हिस्सा बन जाती है। यह अक्सर कहा जाता है कि बूँकि ईश्वर सर्वव्यापी होते हुए भी सदा हमारे साथ नहीं रह सकते इसलिए उन्होंने इस स्थान को भरने के लिए माँ की रचना की। और वास्तव में, यह भावना निर्विवाद सत्य है। मैंने इस विषय को एक विशेष कारण से चुना है। गत माह का 12 मई हर किसी के लिए बहुत महत्व रखता था, क्योंकि यह माताओं को समर्पित दिन था। हालाँकि, मैं इस बात पर जोर देना चाहती हूँ कि मैंने इस विषय को केवल मातृ दिवस के कारण नहीं चुना है। मेरा इरादा इस तथ्य पर प्रकाश डालना है कि माताओं की सराहना करना केवल एक विशेष दिन तक सीमित नहीं होना चाहिए क्योंकि जो लोग वास्तव में इनका अर्थ समझते हैं और अपनी माताओं का मूल्य जानते हैं, उनके लिए हर दिन यह अमूल्य दिन मनाने के योग्य है। माँ, यह शब्द अपने आप में मातृत्व के सार को समाहित करता है। माँ भोजन और पोषण की देवी अन्नपूर्णा का प्रतीक है, तो माँ अपने बच्चों को महत्वाकांक्षी भी बनाती हैं। माताएँ अन्नपूर्णा के गुणों को धारण करती हैं, भरण-पोषण और देखभाल प्रदान करती हैं साथ ही अपनी महत्वाकांक्षाओं को भी एक उड़ान देती हैं जो गृहिणी और किसी कंपनी की मुख्य प्रबंधक अधिकारी दोनों के रूप में उत्कृष्टता प्राप्त कर सकती हैं। विशेष रूप से कामकाजी माताएँ अपनी व्यावसायिक जिम्मेदारियों और घरेलू कर्तव्यों दोनों को कुशलतापूर्वक प्रबंधित करके असाधारण बहुकार्यन कौशल का प्रदर्शन करती हैं। माताएँ मूक योद्धा हैं जो अपने बच्चों की सुरक्षा और पालन-पोषण के लिए प्रत्येक दिन का सामना साहस, अनुग्रह और दृढ़ संकल्प के साथ करती हैं। उनके हाथ हमारे आँसू पोछते हैं, उनके शब्द हमारा उत्साह बढ़ाते हैं और उनका प्यार अँधेरे दिनों को भी रोशन करता है। एक माँ वह है जो बाकी सभी की जगह ले सकती है लेकिन जिसकी जगह कोई और नहीं ले सकता। तो आइए आज और हर दिन हम उनके बलिदानों का सम्मान करें और उनके प्यार को समझकर सदैव उनका आदर करें।
